Activity Challenge

March 1-April 4

During this virtual event, registrants will earn points for working and playing with their Portuguese Water Dog each day. There will also be an option to earn extra points for our weekly Social and Individual challenges. Each week we'll tally the points and post on the leaderboard, but there will be no 'winner' awarded; this is just a fun way to connect with your dog and new and old friends during the last month of winter!

Registration is \$25 per team, which includes one dog and one human and access to our event's private Facebook group for sharing photos and videos. Each team will receive a personalized challenge coin for participating.

A Facebook account is required to participate in this challenge.
Payment will be via Paypal in the registration link.

The fun starts March 1st and the challenge is limited to 40 participant teams. Register today!
